Brandpoint Product Landing Page Copy Rough Draft

INFORMATION:

- References: https://stacker.com/brands/native-distribution
- Goal:
    - Provide an overarching overview of our entire product lineup
    - Drive people to contact us or request a demo – both will lead to https://www.brandpoint.com/contact/
- Audience: sales will use, marketing will direct ads to, will be linked in client reports and visibility report CTAs
- Look & Feel: match colors and font (Inter) from this reference page
    - ATTACH ONE PAGER FOR REFERENCE
- Intended URL: brandpoint.com/distribution-solutions

Page Layout:

Hero Section – two columns above the fold:

Left:

EYEBROW: Strategic Distribution Solutions

Title: Premium paid placements. Earned editorial coverage. Measurable AI visibility.

CTA Button: Request a Demo

Right:

Imagery – maybe our map but cool looking in our new style sheet

Next Section:

H2: Trusted by the nation's top brands and agencies

Slider from: https://www.brandpoint.com/who-we-work-with/

Next Section:

H2: Distribution Packages

Sub-copy: Built for how audiences find brands today

Brandpoint Optimize+℠

Strategic Distribution Guide

Helping brands show up in trusted outlets and AI results

Campaign Customizations and Add Ons

Must be paired with an article package

- [question: is there a way we can make this actually designed in html – the five bubbles across – so its SEO/AI readable? I'd rather it not be an image]

THIN CTA SECTION: Let's get started today! [button: Contact Us]

Next Section:

H2: Meet Brandpoint Optimize (use the logo)

Sub-section 1:

4 cards across:

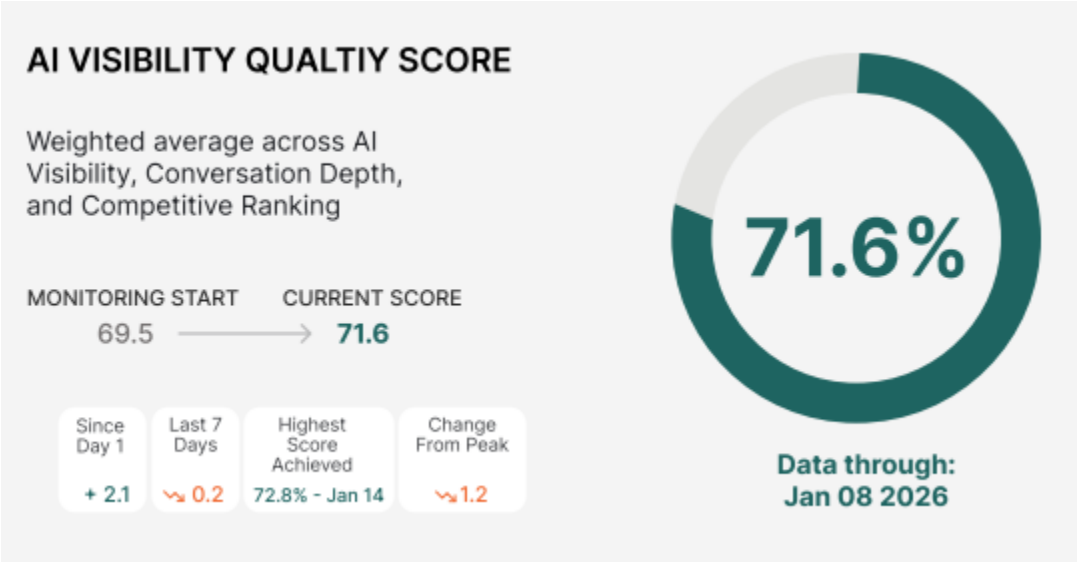
- Bold: Human-Written Branded Content
    - Caption: Optimized for AI discovery
- Bold: Signature Plus Network Distribution

    - Caption: Two distributions for one article
- Bold: Earned Media
    - Caption: Promoted to thousands of publishers
- Bold: Placement & AI Visibility Report
    - Captions: Measurable paid & earned placement results

Sub-section 2:

2 columns in one section:

- Title: Measure your AI Visibility over time
- Left:
    - Image: (make sure quality is spelled right)



- Right:
    - Copy: Measure the impact your campaign has on your brand visibility in AI with an all new, predictive report – only available with Brandpoint Optimize
    - CTA BUBBLE: Request a demo

Client quote call out: "We're constantly being asked by our clients, 'what's the ROI?' Now we can show that in a much more quantitative, data-driven way." - Agency Leader

Next section:

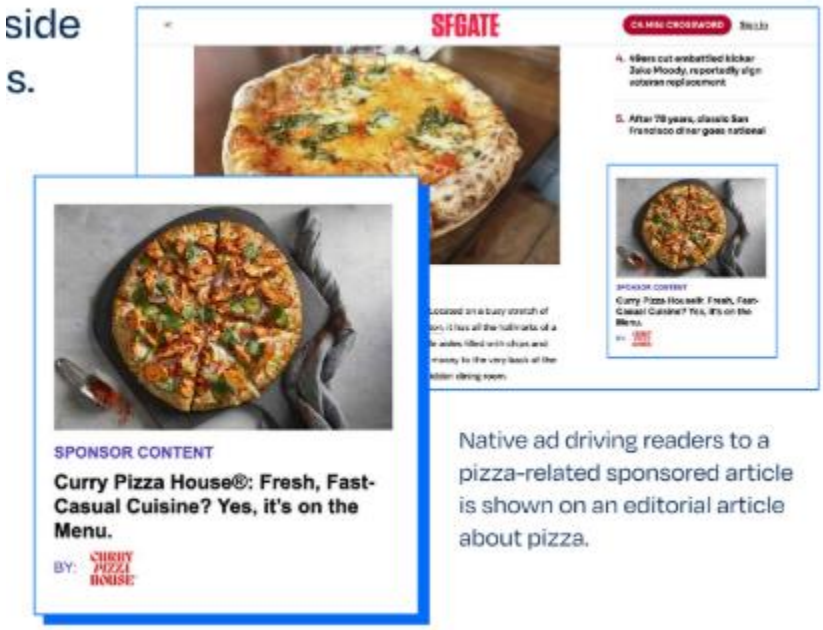
H2: Customize your campaign to meet your brand's goals

- Sub copy: Add these additional awareness options to amplify your content even further

3 mini sections under this header, that are two columns across each:

- Section 1
  - Left side:
    - Bold: Specialty publications
    - Copy: Add placement on USATODAY.com, APNews.com or the Business Journals for additional reach, credibility and site audience.
  - Right side:
    - Logos of these places
- Section 2
  - Left side:
    - Graphical representation of different media formats like a print newspaper placement and video on a website
  - Right side:
    - Bold: Specialty formats
    - Copy: Diversify the type of content you distribute based on your audience and brand, including infographics, video and print placement
- Section 3
  - Left side:
    - Bold: Amplification and Audience Engagement
    - Copy: Drive even more targeted audiences to your content through native ad campaigns and Spanish language options
  - Right side:

- Native ad imagery



Next Section:

H2: See our work in action

- Copy: Combining distribution on Brandpoint's publisher network with native ad campaigns on top sites led to 1.3 million impressions and over 1000 placements for Coopervision
- Read about their campaign (link: https://www.brandpoint.com/case-studies/coopervision/)
